The weeks are flying by but have been nothing shy of FUN! It has been nice to meet so many new people as well as put faces to names! Harrison sure does live up to the motto of being a Friendly Village! We should be very proud of our small town, I know I am.

Basketball is right around the corner! Teams are being selected and coaches will be contacting families soon! Can’t wait for the first tip off of the season!

Little Dribblers first practice is Tuesday November 22\textsuperscript{nd} at Harrison Elementary School at 5:15. Shirts and equipment have been ordered and these kiddos are going to have some fun learning about basketball!
The Queen of Spade ladies enjoying another Tuesday afternoon of cards and chatter and they even let me play and win a hand! We would love to see some new faces join us at the Community Room from 12-2 every Tuesday!

Pickleball is going strong and is always a good time! Don’t forget we play every Wednesday and Thursday from 5:30-7:30 at the Harrison Elementary School! Never played before? No worries, we can teach you! Stop in and see what it’s all about!

This week I got to chat with Wolf Den Cub Scout Pack 149! Together we talked about what it means to be a Parks and Recreation Director and the different duties that I have and why I like my job! The boys had many great ideas as to how they can help our community as well as new activities and projects they
would like to see in our town! They also got a tour of one of the many storages that I have here at the Town Office. After learning about me, I had the opportunity to learn about them and what they are doing during Cub Scouts. Let me tell you what, they boys are SMART! We had lots of fun and I certainly enjoyed this time with them!
