Brr, what a chilly morning here in the Friendly Village. The weather is quickly changing as we prepare for another Maine winter. No worries though, we will have some fun events to keep us moving and having fun!

It’s been a very eventful week here at Recreation and I couldn’t be happier to announce that we have set our Ice Fishing derby for February 17th! Last year we had over 60 kids participate in the derby and we had some great catches! This year I hope to see even more kiddos and their families! February 17th is also free fishing weekend which means anybody can go ice fishing even if they don’t have a fishing license. A fantastic opportunity for anyone to learn how to ice fish! More details to follow!
What a fabulous luncheon we had on Tuesday. With over 30 people, the Lions Club provided us with the most delicious turkey dinner! Many new faces this month and they all left with a smile!

I want to extend a big Thank You to our Lions for being such a great supporter of our Luncheons. Your hard work and delicious meals do not go unnoticed. Our next luncheon will be December 5th at the Community Room, we hope to see you there!
