Good morning Friendly Village! The temps have dropped and the snow is coming! I hope everyone is ready for the snow coming tonight and tomorrow. Please remember to stay off the roads as much as possible to ensure that our road crew can do their jobs and keep our roads clear.

Also, due to the storm rolling in we have postponed our trip to the Botanical Gardens for Sunday, November 25th at the same time. This is to ensure our safety and not travel during the storm. If you are signed up for this trip and cannot make the new date, please contact Kayla.

Our Nutcracker field trip is full! We have started a waitlist for anyone that would like to be added. Reminder that we will go to the Maine Mall for shopping on our own then will meet up for lunch at the Old Country Buffet before we head to the show!
Basketball is underway! This season we have a Little Dribblers team, 1-2 grade team, 3-4 girls team and 5-6 boys team. Most teams have started practices this week and games will begin the first week of December. Our Little Dribblers will start on Friday, November 30th. Once we have a set game schedule we will work on scheduling adult open gym!

Community Tree Lighting
Wednesday, November 28th 6:30 @ Crystal Lake Park
Christmas Carols, Cookies and Hot Cocoa
A local child will be selected to light the tree and given a ride in the fire truck! Stay tuned to find out who!

We will be collecting hats and mittens to help keep our Friendly Village warm!
We are also looking for donations of decorations or baked goods. Please contact Kayla if you would like to help!
