Harrison Recreation Weekly Update

November 17, 2017.

Why hello Friday! I’ve had an exciting week here at recreation as we kicked off our basketball season! Practices have started and it looks like we have some great teams!

There have been changes to the practice schedule, which I have included at the bottom of the update.

There are still tickets left for the Magic of Christmas! December 8th, we will travel to the Maine Mall for shopping and lunch at the Old Country Buffet before we head to the listen to the symphony at 2:00. $40 for Bridgton, Harrison & Waterford residents and $55 for non-residents.
Family Fest Ice Fishing Derby is scheduled for February 17th! The ice will be out before we know it and we will be ice fishing in no time! This derby is for kids 0-15! Save the date, you won’t want to miss out!

Exciting news! I have been working very hard on a new program that will allow us to have online registrations! You will be able to register for sports, field trips, special events and summer recreation online! More details to follow but I super excited to launch this new program!

Winter Rec Camp is accepting registrations! December 27-29th! We will go on three field trips and finish the week out with a pizza party! Bridgton/Harrison residents $75.00 and non-residents $85.00.
Update Basketball Practice Schedule
