What an eventful and fun week it has been! Wednesday night we held our Annual Halloween Party at the Fire Station. It was a great night full of ghosts, goblins and lots of unicorns! The DJ was spinning the tracks and kids were having a blast decorating cookies, playing games and dancing! I would like to extend a big Thank You to the Fire Department for the use of their station as well as conducting traffic control to help keep everyone safe. I would also like to thank Liz Happel, Penny Merrill, Maryalice Nile and John Mangiafico for all their help transforming the Fire Station. Another great big Thank You to all of those that donated treats, sugar cookies and more! Henry’s Concrete, Harrison Youth Boosters and Mike Guiffre for your donations!
