Wes Tenney Memorial Award

Wes Tenney's biggest joy was fishing. He was recognized as one of Harrison's master fishermen and was the "go to" guy when you needed information on fishing Crystal Lake. He and his brother Eugene also raised in Harrison spent thousands of hours fishing the community and loved every minute of it. He would be so honored to have his name associated with the Harrison Recreation Department and its fishing derby. He was a modest man of few words and those who knew him would be proud to say, "He's a worthy man."

The Wes Tenney Award will be given to the angler with the largest catch of the day!
