Happy Friday and a very Happy St. Patrick’s Day! I hope by now that everyone has been dug out from that lovely storm. We can only hope that it was the last storm so we can welcome spring and warmer weather!

It’s been another fun week of activities and planning for future activities! We welcomed a 10-week tennis program and had several sign ups! There’s nothing more exciting in the rec world than when more kids want to get out and learn!

We held baseball, softball and t-ball sign-ups as well the last few days. We are very low on numbers so if you missed sign-ups please stop in at the Town Office ASAP to fill out your form. Registration forms can be found online as well.
Baseball families please note that there will be assessments this Sunday the 19th @ In the Zone from 12-3pm. If you haven’t registered you can do so at assessments.

Our next Senior Luncheon will be held on April 4th from 11:00-2:00 at the Community Room above the Fire Station. We will be having open face turkey sandwiches. The fee will be $3 per person. We will end with a few rounds of BINGO!

I have received many questions about summer rec and swimming lessons. I have been actively working on the schedule though all of these snow days for school are making it a little tricky. As of right now it looks as though Rec will start on June 26th and swimming lessons will start July 10th. Sign-ups for rec will take place in May.
Easter is less than a month away can you believe it? The Easter Bunny has informed me that he will be hiding some eggs at Crystal Lake on April 15th. Get the kiddos and their baskets and come join us in finding all of the Easter eggs starting at 10am.

Running group friends, hopefully this snow will start melting and temperatures will start warming up so we can lace up our sneakers and hit the pavement!

Just a reminder we have adult open gym Thursday’s from 5:30-7:30. We also have Pickleball Saturday mornings 9-11am.

Again Happy St. Patrick’s Day, stay safe and have fun!
