   a. Traffic & Parking Ordinance

Section was added pertaining to overweight limits on town roads and allows for law enforcement action for loads over 23,000lbs that doesn’t meet certain criteria.

Motion to pass the Traffic & Parking Ordinance with addition of 9.2.5.10 made by Selectman Winslow, 2nd by Selectman Laplante. Approved 4-0.
b. Street sweeper

Information from Town Manager – I actually need to thank Randy for bringing this to my attention. We pay $5,765 per year or $11,530 for two years for contract sweeping of the in-town roads only. The highway crew sweeps the remaining roads in town. We need to replace the sweeper public works currently uses. It is beyond fixing. To replace the old sweeper is $12,000. If we only use it for two years to cover the contract sweeping it would pay for itself and we won’t be at the mercy of whenever the company can get here. Being able to do all of our roads with it makes financial sense and we can have it for this season.

**Motion to purchase a sweeper for the backhoe made by Selectman Winslow, 2nd by Selectman Laplante. Approved 4-0.**
