Present: Chairman Matthew Frank, Selectman Henry Dumont, Selectman Penny Bean, Town Manager Tim Pellerin, Secretary Melissa St. John

Absent: Vice Chairman Raymond Laplante, Selectman Richard Sykes

Public: John Daggett, John Kane, Scott Krall, Frank Daggett

1. Public hearing called to order – Meeting called to order at 6:05 pm.

2. Mooring Regulations Ordinance

John Kane and Scott Krall questioned the DMZ zone and why moorings aren't allowed in the DMZ zone even if it is front of shorefront property. Comments also included no one owns the lake and boats should be allowed to be moored there.

Discussion included the property lines are not always straight and pie pieces are may be created. The lines go out straight from the land for 100 feet and then it is the harbormasters judgement on placement for the DMZ zone.

June 30<sup>th</sup> is too late for a renewal date for someone waiting on the wait list. They won't get notified they can have a mooring until the end of July and the summer is almost over.

Selectman Sykes joined the meeting at 6:36 pm.

Meeting adjourned at 6:38 pm.

Respectfully submitted,

---

Melissa St. John, Secretary
