Town of Harrison Mooring Application Process

1. Fill out the mooring application completely. A separate application for each mooring/swim platform is required. Return via email to the Harrison Harbormaster. Applications not completely filled out will be considered null and void. **Mooring applications will only be accepted after May 1st.**
2. If you have more than 1 boat that may be secured to the mooring (at different times) fill in the information for the longest boat in the first section; followed by the next boat.
3. Renewal applications that have been completely filled out will be reviewed and approved by the harbor master. Our commitment is to a one week turnaround for approval of these applications.
4. Mooring designations of SMZ or DMZ MUST be indicated on the application. Moorings within 100 feet of the high water mark on shore are designated as SMZ moorings and those within the 100 foot to the 200 foot mark from the high water mark on shore are designated as DMZ.
5. The Town of Harrison Mooring Regulations Ordinance is available at the Town Office or online at www.harrisonmaine.org under Ordinances. Please take the time to read and familiarize yourself with the ordinance and its regulations.
6. All mooring balls must be removed from the lake by December 1st. They may be replaced with a winter ball or a rope draped under water tied to shore for those shorefront moorings.
7. All SMZ moorings must be located within the SMZ area designated as high water mark on shore to 100 feet out and must be spaced 50 feet apart at a minimum. All DMZ moorings must be located within the DMZ area designated as 100 ft. to 200 ft. out from the shore and must be spaced 80 ft. apart as a minimum.
8. **Wait list applications must be submitted every year and received by June 30.**

Our goal is to ensure compliance of mooring regulations within the Town of Harrison and the State of Maine. We apologize in advance for any changes required to location or designation of moorings from previous years in our efforts to bring moorings in compliance with the town ordinance.

**Gary Pagel, Harbor Master
Town of Harrison**
