From the Desk of the Town Manager ~ Tim Pellerin

- Happy School Vacation! Enjoy your week.
- Be careful out there in this bitter cold this weekend.
- Remember the Town Office and Transfer Station are closed on Monday, February 17th for the President’s Day Holiday.

It is that time of year, with cold and snowstorms, Remember to check on Friends & Neighbors, especially the Elderly to make sure they are warm and well.

Remember the Food Bank is open on Tuesdays 1:30-6:30 pm.

If you have a concern, or question please call the office or stop by and meet with me.

Stay Safe Around Snowplows
• Give snowplows room to do their work. Plows are wide and can extend across the center line.
• Don’t tailgate and don’t pass unless absolutely necessary and safe to do so. If you must pass, beware of the snow cloud created by plows.
• Remember that the snowplow operators have a limited field of vision. Though you see the plow, our snow fighters might not see you. Keep your distance and always stay alert.

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

SAND * SAND * SAND * SAND * SAND * SAND

It’s that time of year to remind residents who need sand; you are limited to two 5 gallon pails of sand from the Transfer Station when they are open. This sand is for your walkways and steps. **DO NOT** fill your pick-up truck in order to sand your private road and driveway.

A reminder to please use care when entering the transfer station. Snow removal occurs even on non-snow days. Please give the equipment operators plenty of room and be sure they know you are there before proceeding around them.

From Public Works ~

WINTER PARKING BAN - Is in effect from November 15, 2019 to April 15, 2020. Parking on all public streets, roads and parking lots is prohibited during snowstorms. Vehicles will be towed at owner’s expense. This is being done to facilitate the plowing of snow.

Sand is available at the transfer station. 2 five-gallon buckets are allowed per vehicle. No one is allowed to enter the public works facility to get sand. It is an insurance requirement, please take notice. There is some sand on the Carsley Rd side of Public Works by the fuel building. Only 2 five-gallon buckets are allowed per vehicle at a time.
