Hope & Kindness are not cancelled…be strong and stay healthy.

- Happy Mother’s Day to all the wonderful Mother’s out there.
- Town Buildings are closed to public. Hoping to open on May 18, 2020
- Thank You to all the Nurses, Healthcare workers, First Responders, and everyone on the front lines (Grocery Store workers, Food Prep/Distribution, Truck Drivers, etc). We appreciate you!

In consideration of the safety of the vulnerable populations within our community, we encourage people to use on-line services for renewal of registrations (car, trailer, boat, ATV), pay taxes, get fishing licenses, etc. links can be found through our town website www.harrisonmaine.org.

Stay strong Friendly Village, take care of yourself, wash your hands and stay home! We will be putting this all behind us before we know it.

Maine Fun Facts: Maine is home to many of the best boat builders in the world: Hinckley, Sabre, Back Cove, Duffy, Morse Yachts, Egg Harbor, Calvin Beal, Robert Stevens, Old Town Canoe, Downeast, LL Bean, Atlantic, and The Landing School.

If you have town related business, or information on events you would like included in the update, please email the information to newsletters@harrisonmaine.org.

From the Desk of the Town Manager ~ Tim Pellerin

- In consideration of the safety of the vulnerable populations within our community and due to the Governor’s and CDC stay at home order, the town buildings are still closed but planning to open to the public by May 18th. You can still conduct business on-line. Please remember you still need to pay your taxes which can be done on-line or by mail. Car, boat and trailer re-registrations can also be done on-line. Thank You for your patience and cooperation.

- We are monitoring the situation daily and are in Contact with the Governor’s office, the Maine CDC & Maine Emergency Management Agency for guidance on how to proceed as we are preparing to re-open. We will be making some changes to keep both the public and employees as safe as possible. Please note that when we do open, we will be using the meeting room door as our entrance to the public. This is not the door most are used to using so please pay attention to signage. We are asking everyone to please follow the markings on the floor to safeguard safe distancing for everyone. We are also asking that you wear a mask or face covering while in the building. If you would like to see someone from Code Enforcement/Accessing it is by appointment only (you must make an appointment), no one will be allowed in the administrative office space without permission from the Town Manager. See additional information at the end of the newsletter.

- It is important for all of you to remain calm, not panic and follow State & Federal guidelines. Please take a moment and be sure to check on your neighbors and friends and watch out for each other. If you know someone who needs help or are not sure how to help them, please call us for guidance and/or assistance. We know that these are uncertain times and if you have any questions or concerns please contact us.

- Let’s all be respectful and courteous to each other. Things will get better. Please stay safe. We will get through this as a Town and a family.
The Town Meeting has been changed to **July 14, 2020**. It is by secret ballot voting from 8 am to 8 pm. Please consider getting Absentee Ballots.

- **We are having a problem with dog owners allowing their pets to defecate on Main Street and in Crystal Lake Park.** Please be respectful and clean up after your pets. We will be enforcing this with fines up to $250 according to our Dog Ordinance (see on-line). We do not want to have install cameras and/or have to close the park to dogs so please pick up after your pets. Thank you.

- We are aware that some people are having trouble with our online **Mooring Application** and we are working to correct the problem. We find if you save it to your computer before attaching it to email it works better. You can also call the Harbor Master, Gary Pagel.

Thank you for your continued support and have a good weekend.

**From the Town Clerk ~**

The Town of Harrison is looking to open to the public, for regular business hours, the middle of May. We are currently in the process of setting up our reopening plan to keep everyone as safe as possible. Please be advised when we do open, we will be using the **meeting room door** as our entrance for the public. **This is not the door most are used to using so please pay attention to signage.** We ask everyone to please follow the markings on the floor to safeguard safe distancing for everyone and to wear a face mask when entering the building.

We expect the clerk’s office will be very busy when we open. Please make sure you have all the required paperwork with you to do your business.
➢ Car registrations need proof of insurance and mileage. We will not be able to call your insurance company and get that information for you, please plan ahead.
➢ Anything new to you requires a bill of sale, title, proof of insurance, and mileage.
➢ New from dealer requires bill of sale, window sticker, blue title application, proof of insurance, & mileage.
➢ For a complete list of what you need for most registrations, please go to our website and look under the Announcement section for Re-opening the town office and what you need to know.

VOTE HEALTHY – VOTE ABSENTEE!
* This is the first-year town meeting is by secret ballot. There are 31 questions plus candidate seats to vote on. This can take time. Voting from the comfort of your recliner, on your schedule, lets you take as long as you need.

* There will also be a school ballot, a State candidate ballot and a referendum ballot.
* For your safety and the safety of all the election workers you can still vote and have your vote count with no health worries.
* It’s easy to receive an absentee ballot. Order online here or call the town office at 583-2241 ext. 2 or 6 and we will mail the ballot to you.

Please stay tuned to the newsletter for updates and/or visit our website for updates as we have them. We are working hard to keep our information on our website current and keep you up to date on what is happening here in Harrison.

THE CODE OFFICE
Anyone needing assistance from the code or assessing office is required to call and set up an appointment. The number is 583-0923. If you don’t have an appointment you will need to wait in line to reach the clerk’s counter in order to get assistance and a code officer may not be available.

From the Transfer Station ~

We are no longer accepting Cash at the Transfer Station…You may use a check or credit cards only. Please do not enter the buildings and practice social distancing.

The Transfer Station is still open with regular hours at this time but please observe social distancing and do not enter the buildings. This is for the safety and protection of our employees and the public.

Spring weather is not far away and I am looking to spruce up some areas on town property. I am looking for perennial plants and shrubs anyone would like to donate. Spring is a good time to divide many plants and if anyone has some extras they would be willing to share please stop by the transfer station and let me know or email me at transferst@harrisonmaine.org. Spread the word!!!!

From the Parks Dept.
Thank you to Jeanne Walker and Damien for keeping Long Lake Park clean and neat. It looks Great. We appreciate the help.

Harrison Rec Dept ~ For more information contact Kayla at 583-2241 or klaird@harrisonmaine.org

We are still taking registrations for Summer Rec. We have cancelled all field trips for the summer. Though field trips are cancelled, we will still have Rec on those days. We plan to make Tuesday’s a little extra special as we know how fun field trips are. We are working on completing refunds for those that signed up for field trips. You can also apply your field trips funds to your balance or account balance. Please email me privately to let me know how you would like your payments taken care of. If we get approval from the state to move forward with Summer Rec, our first day will be June 22nd. We will keep everyone updated on the official opening day.

I have been in contact with our baseball and softball leagues. At this point they are still pushing forward with a shortened season starting in June. Though this is very exciting news, understand that there will be restrictions to ensure that we are following all guidelines from the CDC especially with social distancing and no more than 50 people at an event. As a league we are working out guidelines in how to ensure we don’t go over 50 people. For example, at some fields, parents may have to watch from their cars, thankfully our complexes are quite large and will be a bit easier to space families and fans out during games. There will also be no sharing of equipment such as helmets, gloves, batting gloves etc. Many players have their own equipment but for those that don’t, they will be assigned equipment for the season which will then need to be returned when the season has finished.

I have been asked about Adult Softball nights at Crystal Lake Park. Right now we are waiting for phase 2 which will allow more people (50 or less). We hope to continue this fun weekly event and will keep everyone updated.

RADR gates are open for those that enjoy walking the around the fields or just taking in the gorgeous views!

A reminder that if you are going to the park and using any playground equipment that you know that we are not sanitizing or cleaning that area. If you have been sick or showing any symptoms of illness please stay home and off any equipment.

Stay strong Friendly Village, take care of yourself, wash your hands and stay home! We will be putting this all behind us before we know it. Thank you for your understanding and we are anxious to be back to regular activities in the near future!

Harrison Village Library ~
