**From the Desk of the Town Manager ~ Tim Pellerin**

Dear Citizens:

Welcome back! We are open for business as of **Monday, May 18, 2020** after being closed since mid-March! As we re-open in these unprecedented times, we are opening with some new changes:

1. **The Public Entrance will now be the Meeting room door and the exit is the old entrance.**

   Maintain Social Distancing until a position at the counter opens. Please have all paperwork that is required for transactions (see Town Clerk Section and website to be sure).

   Notice there is plexi-glass up in the clerk’s office to protect clerks. The clerks are also be using baskets to handle paperwork.

2. **Masks or face coverings are required to protect employees. If you cannot wear a face-covering or mask you will have to call and we will schedule an appointed time to do your transactions.**

3. **Code Enforcement business (permits/inspections) will be done by appointment.** They will be conducting business in the meeting room at a designated table not in the Administrative Offices and only by appointment. If you do not make an appointment and wait in line they will do their best to accommodate you but they could be on an inspection or on the phone or otherwise unable to help at that exact moment.

4. **We will be asking you to sign-in with your Name, phone number and time in the event that someone becomes ill and we need to do social tracing.**

5. **Tuesdays and Thursdays from 8:00 am to 10:00 am** we are reserving for citizens that are 65 or older. Please allow our vulnerable citizens this time to complete their transactions.

6. **We will be closing on Friday afternoons at noon for cleaning, paperwork and reports.** Monday through Thursday hours are 8:00 pm to 4:00 pm and Friday 8:00 am to noon.
Last but not least, as we begin to open with this process and to serve you, we ask you for your patience and to respect our policies for the safety of other citizens and our employees. We expect it to be quite busy when we first open so if you call and are unable to get through please know that we are doing our best and will return calls as quickly as possible.

If you have any questions, concerns or problems please contact us.

- It is important for all of you to remain calm, not panic and follow State & Federal guidelines. Please take a moment and be sure to check on your neighbors and friends and watch out for each other. If you know someone who needs help or are not sure how to help them, please call us for guidance and/or assistance. We know that these are uncertain times and if you have any questions or concerns please contact us.

- Let’s all be respectful and courteous to each other. Things will get better. Please stay safe. We will get through this as a Town and a family.

The Town Meeting has been changed to **July 14, 2020**. It is by secret ballot voting from 8 am to 8 pm. Please consider getting Absentee Ballots.

- **We are having a problem with dog owners allowing their pets to defecate on Main Street and in Crystal Lake Park.** Please be respectful and clean up after your pets. We will be enforcing this with fines up to $250 according to our Dog Ordinance (see on-line). We do not want to have install cameras and/or have to close the park to dogs so please pick up after your pets. Thank you.

- We are aware that some people are having trouble with our online **Mooring Application** and we are working to correct the problem. We find if you save it to your computer before attaching it to email it works better. You can also call the Harbor Master, Gary Pagel.

Thank you for your continued support and have a good weekend.

**From the Town Clerk ~**

Thank you everyone for making our first week manageable. The new changes are rough for us all and you have rolled with them and we truly appreciate it!

We are using the meeting room door as our entrance for the public. **This is not the door most are used to using so please pay attention to signage.** We ask everyone to please follow the markings on the floor to safeguard safe distancing for everyone and to wear a face covering when entering the building. If the staff becomes ill we won’t be open to help anyone. If you cannot wear a mask due to a health condition, please call us at 583-2241 ext. 2 and we will make arrangements with you.

We expect the clerk’s office will be very busy when we open. Please make sure you have all the required paperwork with you to do your business.

- **Car registrations need proof of insurance and mileage.** We will not be able to call your insurance company and get that information for you, please plan ahead.
- **Anything new to you requires a bill of sale, title, proof of insurance, and mileage.**
- **New from dealer requires bill of sale, window sticker, blue title application, proof of insurance, & mileage.**
- For a complete list of what you need for most registrations, please go to our website and look under the Announcement section for **Re-opening the town office and what you need to know.**

Harrison Rec Dept~ For more information contact Kayla at 583-2241 or klaird@harrisonmaine.org

Wednesday, we received the guidelines from the state for summer day camps. We have put a lot of detailed work into our safety plan to submit for approval to have Summer Rec. If/when we receive approval from the State, we will share the plan and all staff will be trained on safety, use of masks and increased hygiene procedures. We are very hopeful that we will have a fun summer here at Crystal Lake Park.

Baseball and softball season is upon us. We have received guidelines from the State regarding our youth sports. This will certainly be a very different ball season for our families and players. It is important that we all work together and follow all guidelines to ensure that we are staying safe and in compliance.

Unfortunately, there will be no tball season this year due to low numbers. All players that registered will be refunded their money for the season. We will miss our season with you but look forward to next year!

Due to the Covid-19 and the many restrictions, there will be no 5K Run by the Lake. We are sad to have this be the case and we will miss this great event. We will be back bigger and better than ever next year! We will beat this!

I hope everyone has a great weekend. Note that RADR gates are open for those that enjoy walking the around the fields or just taking in the gorgeous views!

A reminder that if you are going to the park and using any playground equipment that you know that we are not sanitizing or cleaning that area. If you have been sick or showing any symptoms of illness please stay home and off any equipment.

Around this time, also, you may hear a few patriotic songs in the park. American Flags have been placed at all Veterans’ gravesites in all the cemeteries in Harrison. Thank you to all Veterans.
