Reminder!!! School is out for the summer. Watch out for bicycle brigades, skateboard & scooter squads, and exuberant students of all ages.

The Legislature has passed a bill to ban cellphone use while driving. This includes while stopped at red lights and stop signs. Assuming the Governor will sign it into law, we should all begin practicing “hands free” cellphone use in motor vehicles.

This one needs no explanation. Be courteous.

If you have town related business, or information on events you would like included in the update, please email the information to newsletters@harrisonmaine.org.

From Public Works ~

- **Summer Hours** - Monday – Thursday - 6am to 4:30pm
- **News:**
  1. The remainder of the summer will be spent ditching and replacing culverts on Deertrees Road, Dillon Road, and Old Whitney Road.
  2. The Public works department is always looking for places to haul fill. If you are interested in receiving some, go to the town office and complete the “Agreement for the Placement of Inert Fill” form.
  3. The **base layer** of paving is down on Maple Ridge. The top coat will be applied sometime in the fall.

  **NOTICE**
  DO NOT ENTER the Public Works/Town Garage facility.

From Code Enforcement ~

On Tuesday, June 11th, 2019, the voters of Harrison passed the **Building Code Ordinance** thus adopting the “Maine Uniform Building and Energy Code” or MUBEC.

This means that permits issued from June 12th forward, for new builds or major renovations, are subject to state building codes and occupancy permits.

If you have any questions, feel free to call and speak with John Wentworth or Jim Fahey in Code Enforcement at 207-583-0923.

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

We want to remind you that a building permit is required before you begin any major project on your property. This includes seasonal docks, storage sheds, decks, additions, etc.

Also, if you live in the Shoreland Zone, the cutting of trees and underbrush is **strictly** governed and should not be undertaken without applying for a permit from Code Enforcement.

No construction of any kind (decks, patios, storage sheds) can take place within 100 feet of the normal high water mark.
