Traffic Alert

We don’t have an exact start date but the Maine Department of Transportation would like you to know:

*In late August or early September* MDOT will be replacing culverts along Route 35 between Waterford and Harrison. You will experience temporary road closures. Traffic will be detoured during those times. If you are trying to get to Harrison from Waterford, the detour will begin at the intersection of Rt 35 and Rt 37 at Bear Pond and will take you to Route 117 near North Bridgton. If you are in Harrison trying to get to Waterford, you’ll be detoured to North Bridgton via Route 117 and can follow Rt 37 back to Rt 35. See Map.

If you live along the Road Closure route you will be able to get home either directly or via detour.

From the Town Clerk ~
